

PEACE OF MIND PROTECTION

How it works:

-  The producer can purchase a grade #1 Protection Premium for the **2023 harvest**
-  Available for: All varieties except for Alynatto, Konatto, Quenatto, Ezra & Siberia
-  No organic production
-  Cost of the premium: \$10 / MT
-  If producer delivers 95% or more of # 1 = 50% rebate on insurance premium
-  No discrimination on the volume and covers 100% of the harvest
-  Producer must choose if they wish to purchase the insurance when they sign the production agreement (before planting).
-  The purchase of the insurance premium is final and non-refundable
-  Cannot be transferred

The protection covers:

-  Lightly stained grains (up to grade #2 appearance)
-  Split / broken (up to 15%)
-  Humidity (up to 15.5%)

The protection does not cover:

-  Stained grains (grade #3 and above)
-  Heated / rancid / moldy grains
-  GMO contamination
-  Moist nightshade
